

# Visionmate

Dream! bit-fully, byte-fully, thoughtfully.

# Distribution Utility

Integrated with D365

# Who We Are?

Visiomate founded by practitioners, who have decades of experience in custom software development, ERP implementations, product development and IT offshoring in diversified domains.

We believe in true value addition to our client's business through cutting-edge technologies and emerging trends. We assist our clients in gaining edge by building accurate, scalable, and reliable systems.

Our ultimate goal is to make running of the business easy for our clients by providing software solution that are not only aligned current processes but also encourage to improve.

- ☐ Happy Customer
- ☐ Customers as Partners
- ☐ Team Work
- ☐ Founded by Qualified and Experienced Professional

# The Distribution Utility

The purpose of this utility is to provide users ability to create transfer order in bulk from outside the Microsoft Dynamics D365. It is a very light weight application, with straight forward installation process.

This application helps users to reduced their warehouse operations work load to create multiple transfer orders with no time from outside the Microsoft Dynamics 365 promises. Secondly all the users who may use this application would not require any Microsoft Dynamics 365 license.

Select Multiple Destination Stores at once

Create Distribution for a Specific Company

Filter Articles by Hierarchies

Filter Articles by Categories

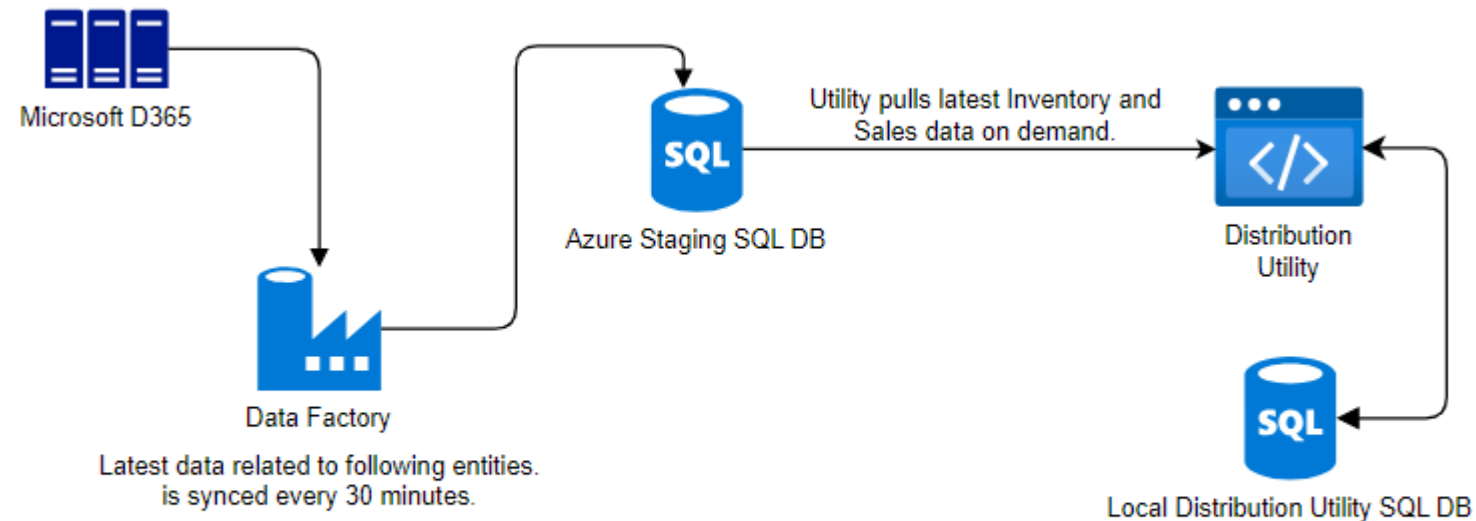

Filter Articles by Dimensions

Save Filtered Distribution data for later

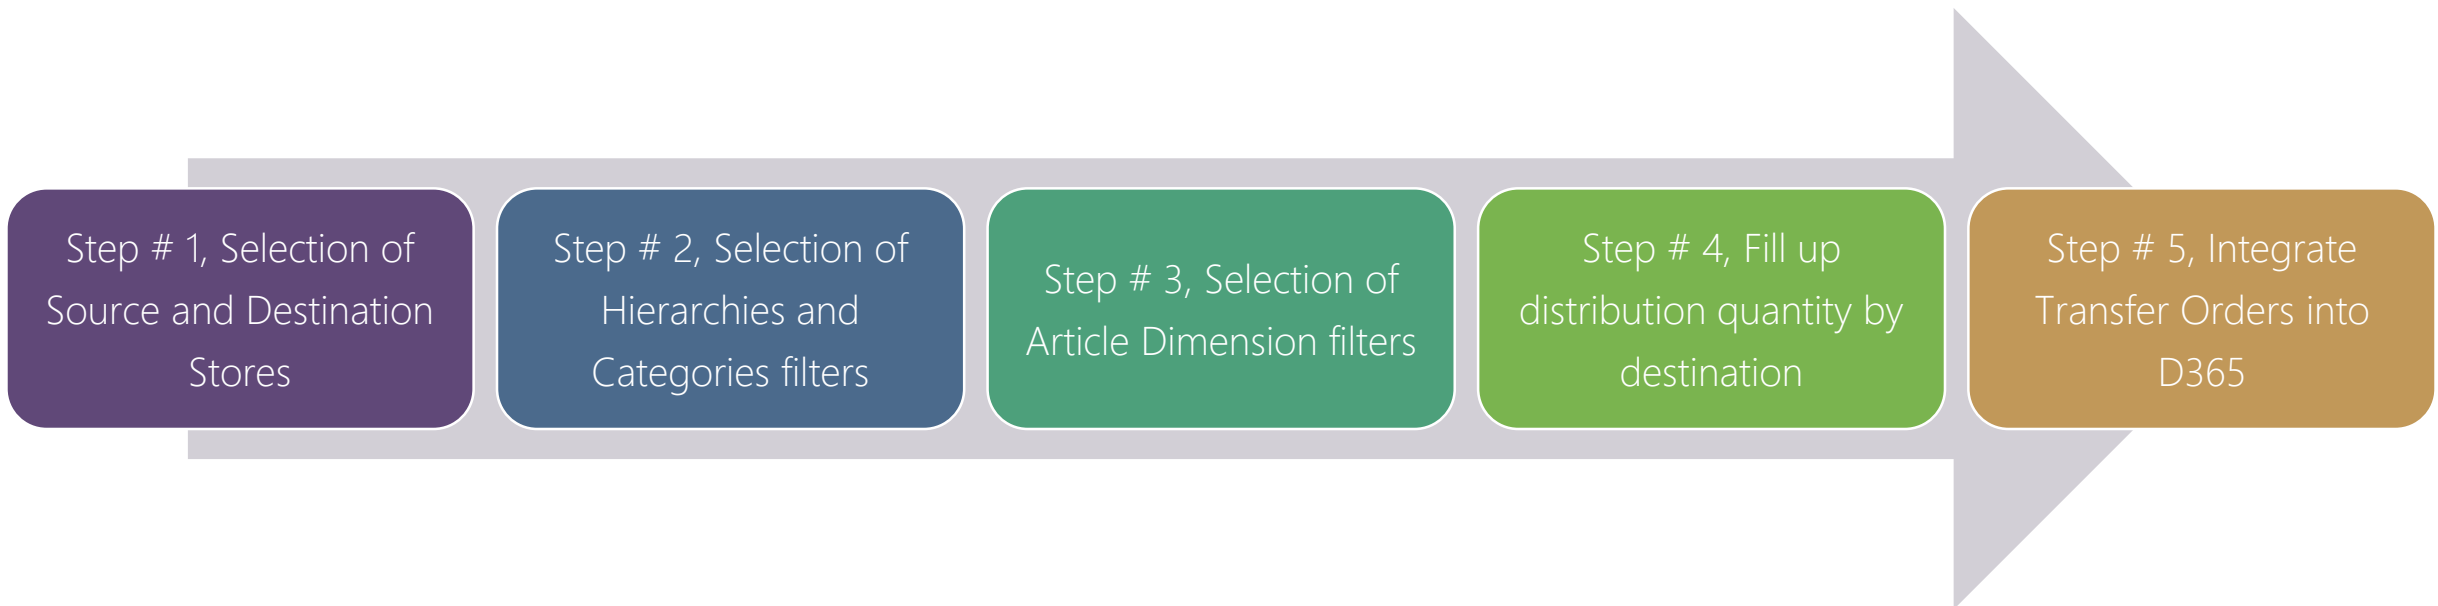

# The Distribution Utility Architecture

This application is designed to support large scale company with large number of transaction frequency.

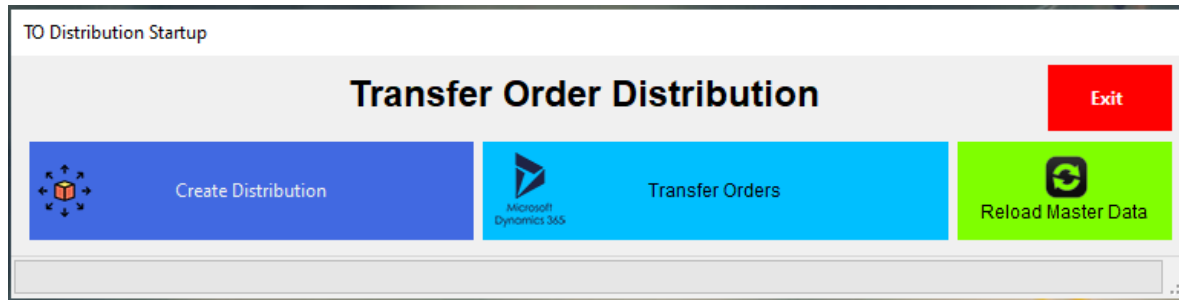

# The Distribution Utility Process

Five main steps to complete the distribution process.

## Step # 1, Selection of Source and Destination Stores

**Source and Destination Stores**  
Select appropriate source and destination stores, in order to get relevant product hierarchies and categories.

Source Warehouse  
Retail Main Warehouse

Destination Store ☒ Select All

AllamaIqbal
CITY FOL
Abbotabad
Adjust Main Warehouse
Alladin Park
Atrium
Badar
Bahawalpur
BankRd
BankRd2
